

PRITHIRA GLOBAL

FROM INDIAN SOIL TO GLOBAL TABLES

PRODUCT CATALOGUE 2026

Sustainable *Biodegradable* Packaging — Sourced in India, Supplied Worldwide.

Premium bagasse tableware, areca leaf plates, cornstarch carry bags, garbage bags, bio cutlery and coconut coir scrubbers. Available in bulk for HoReCa, catering, food delivery, and export.

About *Prithira Global*

A Kolkata-based supplier and exporter of biodegradable food packaging — built on the simple belief that sustainable, ethically sourced, food-safe alternatives to plastic deserve to be the global default, not the premium exception.

OUR STORY

Prithira Global was founded to bridge the gap between Indian agricultural by-products — sugarcane bagasse, areca palm leaves, cornstarch, coconut coir — and food businesses worldwide that need packaging which is sustainable, compliant, and dependable in real-world service conditions.

WHAT WE SUPPLY

Bagasse plates, bowls, trays, clamshell boxes and cups; areca leaf premium tableware; cornstarch carry bags and Swachh-Bharat-aligned garbage bags; cornstarch bio cutlery and 100% natural coconut coir scrubbers — all available in bulk with private-label and custom-sizing options.
